
League FAQ's

I'm new to the area and want to get on a team. What is the best way to get on a team? *There are "I Need A Team" forms at Capt'n Bill's that you can fill out and post on the bulletin board. One other way to get on a team is to come out and meet people during league nights and ask if anyone needs an extra player.*

My team played in the last league. Can you use my same roster? *No, a new roster must be submitted by each team for a new league.*

Are all of your leagues coed? *Yes, all the leagues at Capt'n Bill's are coed and require at least one male and two females on the court at all times.*

How many players can we have on our roster? *4 person teams can have up to 8 people on their roster and 6 person teams up to 12 people.*

Do you offer anything for businesses that sponsor teams each league? *Capt'n Bill's offers a corporate rate for businesses that sponsor teams each league. Businesses must pay for the entire year (5 leagues) up front and receive benefits like free advertising on Capt'n Bill's fence for the year as well as priority sign ups. More information can be found in the Capt'n Bill's corporate volleyball league brochure.*

Do you require our team to have matching shirts or uniforms? *What teams decide to wear is completely up to the team, as long as it is appropriate for a family establishment. Some businesses prefer that players wear company shirts which is perfectly acceptable.*

Can I sign up as an individual? *Sign ups are taken by teams only. If you don't have a team and want to play, fill out a form at Capt'n Bill's and post it on the bulletin board or ask around during league play to see if anyone needs an additional player.*

How old do I have to be to participate in league play? *If a parent is playing on the team with the child, it is the parent's judgment to the age the child should play, knowing the risks of injury and signing a consent form for the child. If the parent is not playing on the team, the child must be at least 16 years old.*
